Teck Northern Cup #3 Takes Place in Vanderhoof

On January 20th 85 skiers from Williams Lake to Smithers took part in the Teck Northern Cup race #3 in Vanderhoof, hosted by the Nechako Nordics.

With fresh snow the day before ski conditions were excellent for the free technique interval start. Ski courses ranged from 750 metres for the youngest competitors (under 7 years of age) to 10km for the open and masters divisions. Some young talented skiers used the race to prepare for upcoming BC Cup races, while younger skiers (Pee Wee and Atom) experienced their first race event. Blue skies appeared as racers completed their events and awards began. Big smiles were had by all receiving Teck medals or ribbons and those receiving the coveted Woody's Bakery cookie medal.

Regional events like this are only possible with the support of sponsors like Teck resources and the more than 45 volunteers and our local businesses. A big thank you to Teck resources for supporting young athlete development.
