## PURPOSE

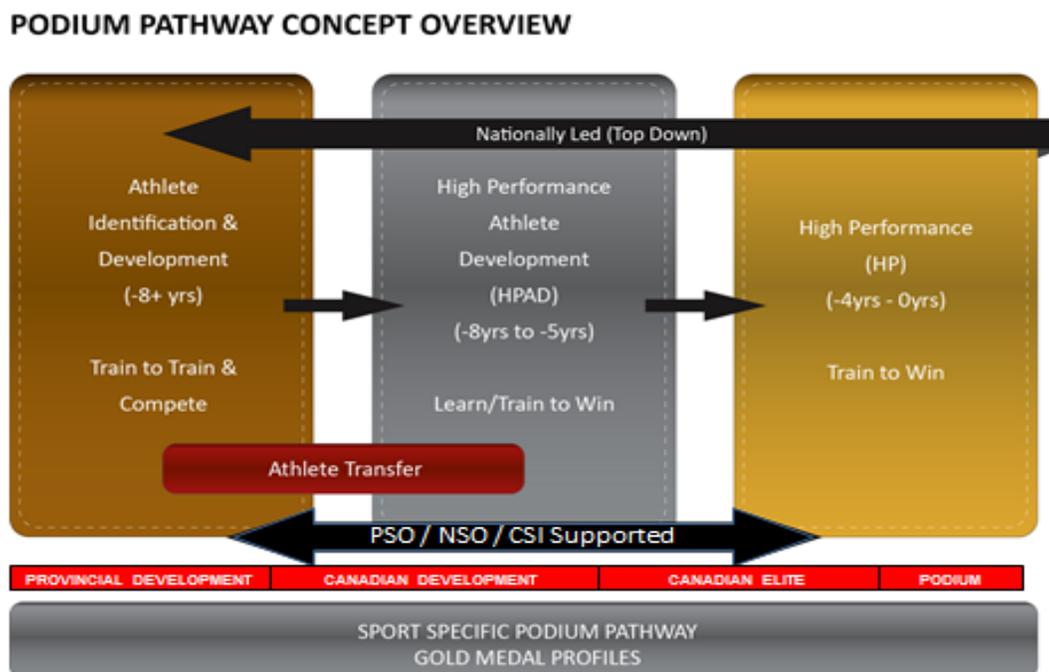

Canadian Sport Institute Pacific, through a partnership with the Province of British Columbia (BC), viaSport, the network of PacificSport centres, and Cross Country BC, collaborates to deliver programs and services to place BC athletes<sup>1</sup> onto National Teams, and ensure athletes and coaches have every advantage to win medals for Canada. The partners work jointly to encourage sport excellence and increase podium performances in communities throughout BC.

This template provides a standardized process to identify athletes and coaches within the Cross Country BC high performance program as well as athletes who are tracking against key development pathway metrics toward national teams. The levels within the targeting seek to create a common standard across all sports; hence, the template must be used in its entirety. PSO/DSOs are able to adapt the template to suit their own purposes (e.g. branding, application process, etc.) provided all relevant information is contained within.

Canadian Sport Institute / PacificSport athlete and coach support for the Podium and Canadian Elite nomination focuses on athletes and teams 0-4 years from the Podium, identified by the sport-specific Podium Pathway (see Figure 1 below) and Gold Medal Profile. These athletes and teams represent the current generation of National Team athletes who are carded by the NSO through Sport Canada's Athlete Assistance Program.

Canadian Sport Institute / PacificSport athlete and coach support for the Canadian Development and Provincial Development nomination focuses on athletes and teams 5-12 years from the Podium, identified by the sport-specific Podium Pathway (see Figure 1 below) and Gold Medal Profile. These athletes and teams represent both the next generation (5-8 years from Podium) and future generations (9-12 years from Podium) of Olympic and Paralympic (or World Championship) medallists. Support may be focussed more toward the future generation (9-12 years from Podium) for some targeted Paralympic sports depending on the quality of the next generation (5-8 years from Podium) of athletes and teams.

<sup>1</sup> In general, a BC athlete is defined as an athlete born, developed, and/or trained/centralized (for a minimum of three months) in British Columbia.

## DETAILS

Through the above partnership, and with the above purpose in mind, Cross Country BC may nominate athletes and their coaches who meet specific criteria for Canadian Sport Institute Pacific / PacificSport athlete or coach registration. Upon registering, athletes and coaches can engage in enhanced programs, benefits, and selected support services through Canadian Sport Institute Pacific and the network of PacificSport regional centres in BC.

Canadian Sport Institute and PacificSport athlete support is divided into four levels based on performance, each with a slate of designated benefits. Please click on the following for an outline of Canadian Sport Institute Athlete and Coach benefits, programs, and services. Please see Appendix 1 for an outline of Cross Country BC targeted athlete benefits, programs, and services as delivered through Cross Country BC.

Targeted athletes are nominated by Cross Country BC based on the athlete criteria below. Any enquiries regarding the sport-specific selection criteria can be made to Cross Country BC's Technical Representative, Georgia Manhard, at [gmanhard@telus.net](mailto:gmanhard@telus.net). As a general principle, all athletes are expected to demonstrate evidence of their ongoing performance progression and tracking toward Cross Country BC high performance program benchmarks to remain targeted. Georgia Manhard and the Canadian Sport Institute technical lead working with Cross Country BC have the final authority over the Canadian Sport Institute nomination process.

The athlete and coach nomination cycle for Canadian Sport Institute / PacificSport / Cross Country BC targeting runs July 1st to June 30th annually, and athletes are selected based on performances from the previous 12 months. Athletes who meet criteria throughout the annual nomination cycle may be added to the Cross Country BC targeted athlete list, on a case by case basis, by contacting the PSO/DSO Technical Representative.

## ATHLETE/COACH REGISTRATION

Once the athlete or coach is nominated, he or she will be notified by Cross Country BC and will be provided with information on how to register with his or her local Canadian Sport Institute campus or PacificSport regional centre. Athletes and coaches must register with their local centre in order to receive athlete or coach support.

## CORE CRITERIA

1. For PSO/DSO nominations, athletes must be considered in good standing (at the discretion of the PSO/DSO) with Cross Country BC as a competitive athlete and meet the definition of a BC athlete.
2. In principle, all athletes nominated should have a designated coach who is responsible for planned programming with the coach(es)'s name and email identified on the targeted athlete list.
3. Athletes who fail to meet targeting criteria due to injury or absence, may remain on Cross Country BC's nomination list at coach's discretion when:
  - a. There is an expectation the athlete in question would have met the criteria if no injury or absence had occurred. **AND**;
  - b. The athlete in question was previously nominated by Cross Country BC in the previous 24 months.

4. PSO nominations will be guided by Cross Country Canada recommendations for High Performance Pathway benchmarks outlined in the Summary IPB Revision document at: <http://www.cccski.com/getmedia/b7ddc61b-73a8-4ff1-9896-df189c3b9b38/Summary-IPB-revision-2015.pdf.aspx>. IPL points achievement below this national standard are identified where appropriate in the criteria below.

## LEVEL-SPECIFIC CRITERIA

OR
- In past 12 months competed and achieved top six result in National Championships or top three result in Western Canadian Championships.

## Coach Nomination

---

### *Canadian Sport Institute Criteria:*

Coaches are nominated by having his or her name included in the targeted athlete list when they are the coach of an athlete who achieves designated criteria. The PSO/DSO may nominate up to two coaches per athlete in cases where both the Provincial/National coach and a personal coach have a significant impact on the athlete's training program. While not required, it is highly recommended that PSO/DSO nominated coaches meet at least one of the following criteria:

- Be the lead person designing and implementing an annual training program for the athlete.
- Be designated as Provincial or Regional coach by the PSO/DSO.
- Be designated as a National Development / Senior National coach by the NSO.
- Be designated as athlete's coach of record based on sport-specific criteria below.

Cross Country BC *Sport-Specific Criteria: (Optional):*

- Be NCCP Level 3 certified or Comp-Dev 'trained'
