## **Recommendations**

In order to receive the best training oversight, CCBC asks that athletes provide their current ferritin level [in correct scientific units) to both the Development Squad Coach and Provincial Coach before June 1<sup>st</sup>, 2020 (prior to the Haig Glacier Camp).

The CCBC May Testing Camp and the CCBC Fall Testing Camp are important. Attending these two camps should be a priority.

BC Development Squad athletes should have appropriate training and monitoring equipment in good working order. See Appendix A.

## **Team Fee**

The team fee for the 2020-21 ski year will be \$250.00.

In addition to the team fee, BC Development Squad athletes are required to submit a 'Commitment to Excellence' cheque for \$200.00. The purpose of this is to encourage athletes to be accountable for the obligations and expectations outlined in this Athlete Agreement.

This cheque will NOT be deposited, but will be held and returned provided the athlete fulfills the terms of the Athlete Agreement before May 15<sup>th</sup>, 2021. Extenuating circumstances will be taken into consideration.
