## Spring Ski Conditions for Teck Northern Cup #6

February 21, 2022

### FOR IMMEDIATE RELEASE

(Vanderhoof, B.C)

On Saturday February 19<sup>th</sup>, the Nechako Nordics hosted the final race in the Teck Northern Cup series. A record number of skiers attended the event, with 121 skiers gathering in Vanderhoof from 7 different clubs in the North. The participating clubs included; Williams Lake Ski Club, Cariboo Ski Touring club, Caledonia Nordics, Nechako Nordics, Omineca Ski Club, Morice Mountain Nordics and Bulkley Valley Ski Club.

An unusual warm spell had athletes skiing in above zero temperatures and spring like ski conditions, which made for some quick times at the interval start skate ski event. The numerous spectators and enthusiasm from all the skiers resulted in a fun and successful event. Numerous draw prizes, Teck awards and our popular cookie medals were handed out following the races.

A big thank you to all our coaches and 40 volunteers who helped make this a successful event. We would also like to extend a thank you to Teck Resources Limited for sponsoring the event.
